Vehicle Overview

The Toyota Hilux 2.4L Diesel Automatic Double-Cab 4x4 is a robust and versatile pickup truck designed for both commercial and personal use. Known for its durability, the Hilux offers exceptional off-road capability with a powerful 2.4L turbo diesel engine delivering 400 Nm of torque. It features a 6-speed automatic transmission, advanced 4x4 drivetrain, and a spacious double cabin for comfort and practicality. The Hilux is widely used across industries — from construction to logistics — and remains a top choice for customers seeking reliability and performance.
